

Sponsorship Invitation 2026/27

Partner with the Dinos and support local cricket across Newcomb, Whittington and Moolap.

May 2026

Dear Business Owner,

On behalf of Newcomb & District Cricket Club, we invite your business to become a sponsor for the 2026/27 season.

NDCC was formed in 1972 and has a proud history of serving the Newcomb, Whittington and Moolap areas. The club is built around local cricket, junior development, volunteers, families and a strong community-first culture.

Our home at Grinter Reserve gives sponsors meaningful local visibility. The venue supports cricket activity, community functions and regular match day attendance, while also connecting sponsor signage with the wider local sporting precinct.

The club enters the 2026/27 season with genuine momentum. In the season just completed, NDCC won premierships in the 1st XI and Under 13s, and also won the GCA Division 4 Club Championship. Those results show a club moving in the right direction across both senior and junior cricket.

Your sponsorship helps NDCC keep improving facilities, supporting players, backing juniors and maintaining a strong family-first club environment. In return, the club will promote your business through agreed sponsor benefits such as club room sponsor board placement, ground signage where available, social media recognition, scoreboard promotion, sponsor day access, apparel opportunities and match report mentions.

The attached sponsor package guide provides options from social membership and match day ball sponsorship through to Bronze, Silver, Gold, Diamond and Platinum sponsorship. We can also discuss a tailored arrangement if your business has a specific goal, offer or community focus.

Thank you for considering a partnership with Newcomb & District Cricket Club. We would value the opportunity to discuss the most suitable sponsorship option for your business.

Yours sincerely,

Troy Whitworth

Vice President, Newcomb & District Cricket Club
